Subject: Clarification /Confirmation on news item appearing in “Media/Publication”

Dear Sir/Madam,

This has reference to your email dated June 22, 2026 seeking clarification on the recent news item which appeared in the “Website-www.economictimes.com” dated June 22, 2026 captioned “CCPA fines Storia Foods, English Oven Rs 1 lakh each for misleading 100% claims on food labels”

In this regard, we would like to state that PART A of SCHEDULE III of SEBI (LODR) Regulations, 2015 demonstrates the DISCLOSURES OF EVENTS OR INFORMATION: SPECIFIED SECURITIES in relation to Regulation 30 shall be made to the stock exchanges if:

- (i) disclosure of fine or penalty of rupees one lakh or more imposed by sectoral regulator or enforcement agency and fine or penalty of rupees ten lakhs or more imposed by other authority or judicial body shall be disclosed within twenty four hours.
- (ii) disclosure of fine or penalty imposed which are lower than the monetary thresholds specified in the clause (i) above on a quarterly basis in the format as may be specified.

Further pursuant to Industry Standards Note on Regulation 30 of the LODR Regulations, the regulator for Diversified FMCG is Food Safety and Standards Authority of India (FSSAI), Food and Drug Administration (FDA)

As per Regulation 5 of the said standards on Materiality for disclosure under Para A (20) of Part A of Schedule III. Action taken or Order Passed by all other Regulators / Authorities (Other than Regulators under paragraph 5.1.1): Action taken or order passed by a regulatory/statutory/enforcement/judicial/quasi-judicial authority would be required to be disclosed only if such action or order, where quantifiable, exceeds the threshold specified by SEBI which is ten lakh rupees.

Further, imposition of fine or penalty below the quantifiable thresholds mentioned in paragraphs 5.1.1 and 5.1.2 above, should be disclosed by the listed entity on a quarterly basis.

In the present case, the Central Consumer Protection Authority (CCPA) (an authority constituted under the provisions of the Consumer Protection Act, 2019) is merely an authority

and not the sectorial Regulator. Furthermore, since the penalty imposed by the CCPA is Rs. One Lakh which is less than Rs. Ten Lakhs, therefore, the company is required to intimate the concerned stock exchanges on quarterly basis only.

Following good corporate governance practice we would like to inform the stock exchanges and public at large that the CCPA vide its order dated 09.06.2026 has imposed a penalty of Rs. 1 Lakh on the Company for the use of the word 100% whole wheat on its bread products i.e. “100% Atta Bread” / “100% Whole Wheat Bread”. The concerned authority i.e. the CCPA has misinterpreted the use of the word as it overlooked and ignored to appreciate the fact that a bread, by its very nature, necessarily contains ingredients other than flour, including water, yeast, salt, oil, preservatives and other permitted ingredients, without which bread cannot be manufactured at all.

The expression “100% Atta” was used only as a flour-source assurance to convey that the bread contained whole wheat flour as the sole flour source and did not contain maida or any substitute cereal flour.

The Company had also disclosed on the packaging the complete ingredient list and the approximate Atta content i.e. 87%, which is above the prescribed minimum threshold of 75% for Atta/Whole Wheat Bread.

The Company is currently in process of taking legal advice for challenging the order dated 09.06.2026 and to file an appeal against before the appropriate authority as per the provisions of the Consumer Protection Act, 2019.

It is hereby clarified that there is no material / financial impact of this article on the Company as company has already filed an application before the FSSAI, wherein, the Company, without prejudice to its legal rights and contentions and without admitting anything, informed the Food Safety and Standards Authority of India (“FSSAI”) vide communication dated 09.05.2026 that it shall voluntarily discontinue the usage of the descriptor “100% Atta” from the packaging and labelling of its bread products in a phased manner within a period of six months.

We would like to inform you that the Company is in compliance with SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and has been promptly informing the Stock Exchanges on all events and information, which have a bearing on operations or performance of the Company.

There is no undisclosed / price sensitive information or any impending announcement / corporate action which needs to be informed to the exchange at this point of time. It is solely because the CCPA overlooked and ignored the submissions of the Company, the said order dated 09.06.2026 was passed.

Further, we would like to assure you that the Company will, as required under SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 continue to promptly inform the exchanges of all material events / information / actions.

Industry Standards for Compliance

1. Applicability of numerical thresholds to certain companies for Para A(1) of Part A of Schedule III

1.1. For insurance companies and non-banking financial companies (“NBFC(s)”), including, core investment companies, registered with the Reserve Bank of India (“RBI”), the stipulation in Explanation (1)(ii)(c) to Para A(1) of Part A of Schedule III, should be understood as follows:

1.1.1. In case of acquisitions of listed (or to be listed) equity, convertible or debt securities of another entity, a disclosure of an acquisition would be required to be made only if the cost of acquisition or the price at which the listed (or to be listed) equity, convertible or debt securities are acquired exceeds the threshold specified in Regulation 30(4)(i)(c)(2), i.e., two percent of net worth, as per the last audited consolidated financial statements of the investor entity. In such instances, the materiality thresholds specified in Regulation 30(4)(i)(c)(1) and Regulation 30(4)(i)(c)(3) would not be applicable.

1.1.2. For any other type of acquisition, each of the prescribed materiality thresholds under Regulation 30(4)(i)(c) would continue to apply to assess whether a disclosure of the acquisition is triggered.

2. Interpretation of “value or the expected impact in terms of value” under Regulation 30(4)(i)(c)

2.1. In computing the “expected impact in terms of value” of an event/information, a listed entity should, where applicable, consider the expected impact in the four ensuing quarters (including the quarter in which the event occurs if the event occurs in the first 60 days of the quarter). Illustration in this regard are provided below:

2.1.1. If an event has occurred on May 29, 2023, which is a date in the first 60 days of the quarter, then the computation of the four ensuing quarters for the purposes of assessing the expected impact of the event would include the ongoing quarter beginning April 1, 2023. Accordingly, the period of assessment would be the four quarters beginning April 1, 2023, till March 31, 2024.

2.1.2. However, if an event has occurred on June 1, 2023, which is date not in the first 60 days of the quarter, then the computation of four ensuing quarters for the purposes of assessing the expected impact of the event would not include the ongoing quarter. Accordingly, the period of assessment would then be from July 1, 2023 till June 30, 2024.

2.2. Disclosure / non-disclosure would typically be in compliance with the regulatory requirements if while undertaking the assessment of the “value” and “expected impact in terms of value”, the listed entity places reliance on the principles for measurement set out under the applicable accounting standards (such as the PPR test formulated basis the principles for measurement set out under Ind AS 37), so as to ensure consistency between the disclosures made to the stock exchanges, and the disclosures made in the financial statements. For instance, if the outcome for a matter (above the materiality threshold) falls within probable or possible category then it may be disclosed, however, if it falls within remote category then disclosure may not be required under Para B(8) of Part A of Schedule III.

- 2.3. Disclosure of an event under Para B of Part A of Schedule III would be required to be made if the gross amount involved in such event exceeds the materiality threshold. However, listed entities may disclose details of indemnity and insurance claims which could mitigate the expected impact, if any, in respect of such event to provide more context while making the disclosure.
- 2.4. In certain instances, all of the three parameters specified under Regulation 30(4)(i)(c) (viz., profit / net worth / turnover) may not be relevant to an event. As such, while assessing whether an event exceeds the materiality thresholds, listed entities should refer to **Annexure A** for guidance on which of the relevant and appropriate parameter ought to be considered for determination of materiality for different types of events under Para B of Part A of Schedule III.
- 3. Interpretation of “last audited consolidated financial statements” under Regulation 30(4)(i)(c)**
- 3.1. The reference to last audited consolidated financial statements in this Regulation shall mean the annual audited consolidated financial statements of the listed entity.
- 4. Interpretation of “significant market reaction” under Regulation 30(4)(i)(b)**
- 4.1. Significant market reaction may differ from company to company. Significant market reaction may be assessed against scrip price, as per the parameters specified by the stock exchange(s).
- 5. Materiality for disclosure under Para A(20) of Part A of Schedule III**
- 5.1. For disclosure of imposition of fine or penalty under Para A(20) of Part A of Schedule III:
- 5.1.1. **Action taken or Order Passed by Sector Regulator / Enforcement Authority:** Action taken or order passed by the sector regulator / enforcement authority of the listed entity would be required to be disclosed, if such action or order, where quantifiable, exceeds the threshold specified by SEBI. The listed entity may refer to **Annexure B** for identifying its sector regulator / enforcement authority. Listed entities may also include other sector regulator/ enforcement authorities depending on their business, in their materiality policy.
- 5.1.2. **Action taken or Order Passed by all other Regulators / Authorities (Other than Regulators under paragraph 5.1.1 above):** Action taken or order passed by a regulatory/statutory/enforcement/judicial/quasi-judicial authority would be required to be disclosed only if such action or order, where quantifiable, exceeds the threshold specified by SEBI.
- 5.2. Further, imposition of fine or penalty below the quantifiable thresholds mentioned in paragraphs 5.1.1 and 5.1.2 above, should be disclosed by the listed entity on a quarterly basis.

6. Disclosure relating to other persons under Para A(19) and (20) of Part A of Schedule III

- 6.1. Listed entity while considering whether a matter involving directors, key managerial personnel, senior management, promoter or subsidiary requires disclosure can restrict themselves to disclosing such matters which are “in relation to the listed entity” and have an impact on operations, financial position or reputation of the listed entity.

7. Interpretation of ‘cumulative basis’ (as referred in Master circular dated November 11, 2024 read with circular dated December 31, 2024 issued by SEBI) for disclosure of pending litigations or disputes under Regulation 30(4) read with Para B(8) of Part A of Schedule III

- 7.1. For litigations or disputes having similar question of law and/or factual matrix such that there is a likelihood of similar outcome of proceedings, the listed entity should disclose such matters, if the aggregate / cumulative amount involved in all such matters cross the materiality threshold. The requirement of aggregation / cumulation will not be applicable only on the account of (i) the opposite party being the same person in more than one matter, or (ii) the litigation involving listed entity and its subsidiaries. It is clarified that the likelihood of similar outcome of proceedings, shall refer to a negative outcome for the listed entity in one proceeding which may lead to similar negative outcomes in the other matters.
- 7.2. For instance, in case of tax matters, the tax authorities may initiate different proceedings against a listed entity for different financial years or in different states, around the same set of facts and legal issues. If it is expected that if one proceeding is held against the entity on merit or law, then the others will also be held against the listed entity, then all such matters should be cumulated. However, matters involving the tax authorities (as common opposite party) with different facts and outcome of which are not inter-related, should not be cumulated. Similarly, matters initiated by or against the listed entity and its subsidiary against or by a common opposite party, with different facts and outcome of which are not inter-related, should not be cumulated.

8. Disclosure of show cause notices under: (i) Para A(20) of Part A of the Schedule III and (ii) Para B(8) of Part A of Schedule III

- 8.1. Receipt of a show cause notice would not trigger a disclosure requirement under Para A(20) of Part A of the Schedule III. However, receipt of a show cause notice from any regulatory, statutory, enforcement authority would come under Para B(8) of Part A of the Schedule III, and require disclosure upon application of the guidelines for materiality, as specified in Regulation 30(4).

9. Disclosure of confidential litigation / dispute / order / action initiated or taken under (i) Para A(19) and (20) of Part A of the Schedule III, and (ii) Para B(8) of Part A of Schedule III

- 9.1. Listed entities while evaluating the expected impact (and subsequently, the disclosure requirement) of pending litigation / dispute / order / action initiated or taken may also consider whether the same is confidential in nature under any applicable law and/or requirement / direction of any regulatory, statutory, judicial or quasi-judicial authority, or any tribunal.

Further, the listed entities will be required to make final disclosure once the investigation is fully concluded.

- 13.2. In instances where the allegation of fraud does not involve the listed company or is not in relation to the affairs of such listed entity, but pertains to its promoter, director, key managerial personnel, senior management or subsidiary, the obligation of the listed company to make a disclosure shall trigger once an officer of that listed company has become aware of the occurrence of fraud, through credible and verifiable channels of communication in relation to the relevant parties.

Annexure A

Guidance on appropriate parameter (profit / net-worth / turnover) to be considered for determination of materiality for different types of events under Para B of Part A of Schedule III of LODR Regulations

As per regulation 30(4)(i)(c) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 ('**LODR Regulations**'),

(i) The listed entity shall consider the following criteria for determination of materiality of events/ information:

(c) the omission of an event or information, whose value or the expected impact in terms of value, exceeds the lower of the following:

- (1) two percent of turnover, as per the last audited consolidated financial statements of the listed entity;*
- (2) two percent of net worth, as per the last audited consolidated financial statements of the listed entity, except in case the arithmetic value of the net worth is negative;*
- (3) five percent of the average of absolute value of profit or loss after tax, as per the last three audited consolidated financial statements of the listed entity.*

Thus, it is understood that any event/ information shall be considered as material for the Company if the value of such transaction or the expected impact of such event/ information in terms of value is lower of the turnover or net worth or profits after tax as calculated under the above stated provisions.

However, in certain instances, all of the three parameters specified under Regulation 30(4)(i)(c) (viz, profit / net worth / turnover) may not be relevant to an event. Applying the principle of *Reddendo Singula Singulis* to the materiality provisions of LODR Regulations, it can be said that since there are separate thresholds of 2% of turnover, 2% of net worth and 5% of average PAT, each of such values can be applied individually and a particular threshold would be relevant and applicable depending on the nature of the event/ information being assessed. For instance, any event which has an impact on the turnover or profits of the Company can be considered material by comparing the value of such event/ information with 2% of the consolidated turnover or 5% of the average PAT respectively.

Similarly, if there is any event/ information which has a capital cost involved, then the materiality of such event/ information can be identified by comparing the value of such event/ information with 2% of the consolidated net worth of the Company and if the value of event exceeds such threshold, then the event would be considered as material.

Based on the above, an analysis as to which of the three parameters should be applied for events or information stated in Schedule III, Part A, Para B is suggested below for uniform approach by the listed entities:

S. No.	Para B Events	Comparable with individual threshold limit (Numerator to Denominator)
1	Commencement or any postponement in the date of commencement of commercial	Lower of the below:

S. No.	Para B Events	Comparable with individual threshold limit (Numerator to Denominator)
	production or commercial operations of any unit/division.	a. Expected impact on turnover to 2% of consolidated turnover; or b. Expected impact on profit/ loss to 5% of average PAT
2	Any of the following events pertaining to the listed entity:	
	(a) arrangements for strategic, technical, manufacturing, or marketing tie-up; or	Lower of the below: a. Capital invested or to be invested for such tie-up to 2% of consolidated net worth; or b. Expected impact on turnover to 2% of consolidated turnover; or c. Expected impact on profit/ loss to 5% of average PAT
	(b) adoption of new line(s) of business; or	Lower of the below: a. Capital invested or to be invested for new line of business to 2% of consolidated net worth; or b. Expected impact on turnover to 2% of consolidated turnover; or c. Expected impact on profit/ loss to 5% of average PAT
